

Jewellery, watch specialists

AUSTRALIA'S industry leader in jewellery, diamonds and watch specialty retailing is opening its doors tomorrow as part of Griffith Central's grand opening.

Formed in Sydney in 1895, the company has been a leading name in Australian Jewellery ever since and has continued to enjoy a reputation for consistently high quality, value and service.

Ever since its earliest days, Angus & Coote has been a home for superb craftsmanship and today that reputation continues, with professional jewellers and watchmakers on hand to complete your custom-made jewellery pieces.

As the diamond and watch specialists, Angus & Coote regional manager Vanessa Chalker said the long-term success of Angus & Coote rests not only on their great range, but also their dedication to the customer, assurance of quality and value, uniqueness and innovation.

"We have the largest range of watches Griffith has ever seen and our own Angus & Coote brand, Elite, is the highest selling brand in Australia," Ms Chalker said.

Angus & Coote offers customers a comprehensive range of stunning diamonds, coloured gems, gold and silver jewellery and watches.

With many of their ready-made designs showcased in the large shopfront display, there is such a large range of classic and modern designs to choose from.

If you're after something a little more personalised, made to order items are a specialty at Angus & Coote, with designs available in gold or silver and custom made to your specific instructions.

Open seven days a week, Angus & Coote are celebrating their Griffith opening with specials and massive discounts across their huge range.
