

## Prize delights family

**HAYLEY** Ovenden was the lucky winner of the Supanews Back to School competition.

Hayley won a Nintendo Wii by simply spending over \$5 on stationery during the Back to School sale at Supanews Griffith.

Hayley was drawn as one of five national winners. Hayley, whose family lives about 1.5 hours away from Griffith at Carrathool, is currently at boarding school so her brother Jeremiah collected her prize.

Hayley's entire family is delighted with the prize.

Supanews would like to thank all of the valued shoppers who participated in the competition, by purchasing their back to school supplies at Supanews stores. With well over 3000 entries, the customer support for this exciting competition was truly overwhelming.

**COLLECTING** a Nintendo Wii on behalf of his sister, Hayley, is six-year-old Jeremiah Ovenden from Carrathool. Presenting the prize is Supanews manager Gemmi Bandiera.
